

The Pulaski Rugby Team is a self-funded high school aged rugby program based out of Pulaski, WI. The club has been running for 18 years and in that time we have circulated over 1,125 young athletes through the Pulaski Rugby program.

The team started with just the Roos but went to a two-sided program because of the great turnout at tryouts. We do not cut any player that wants to play rugby, they are guaranteed to be on one side and get playing time. We promote a team atmosphere where each player brings value to the team. Fran Brunette has been the head coach since the creation of this program and along with his coaching staff, which consists of Lee Thyges, Brian Tilque, Cole Coopman, Jared Skinkis and Paul Conway drive these young players to not only be better on the field but better off the field as well. Our 2015 season saw yet another key growth point when we added our girls team; the Flyers. This team is coached by Fran Brunette, Emily Gazella, Michaela Enneper, Matt Peterson and Andrew Prochniak. The Flyers had a great season and are ready for a Spring season.

We are very proud of our achievements and the hard work of a lot of people connected with the club that has led to off the field success as well. The coaching staff is not only out there to make these young people better rugby players, but better individuals as well. The team has participated by donating their time to the Adopt a Family Program at Christmas, Rebuilding Together, helping those who need it in the Pulaski community and The Polar Plunge for Special Olympics. We have also taken on the responsibility of running a food/beverage booth at Lambeau Field during Packer games.

There are however many expenses connected with running the self-funded club. We do many things to raise money for our team to cover the costs of registering our team each year, new shorts and socks each year, equipment for training, referees, trainers, lodging and travel. We do a team rummage sale in partnership with The Watering Hole, booyah sale we work a booth in the stadium at all home Packer Games, sell sponsorship locations, and raffle tickets.

We've had much success and bring a great deal of spectator traffic and positive attention to the Pulaski community through our program. We have had the ability to host many tournaments, including the State tournament in 2002, 2009 and 2013 and will be hosting again this year at St. Norbert's Schneider Field. The team has won the state title in 2009, 2010, 2014, and 2015.
